COLORADO 4X4 GIRLS *Winter Leadership Retreat*

Our annual Leadership Retreat is a weekend-long event where our Board of Directors and Chapter Leads go on an adventure to one of Colorado 's many destinations. We work on club business matters, while also doing activities that promote unity and build cohesion among our leadership.

This year we visited Grand Lake. We went snowshoeing with Park Rangers and hit the Hot Sulphur Springs for some relaxation. We also developed this year's club events and trips calendar, put together our membership "swag bags" and outlined expectations for leadership and members.

The annual Winter Leadership Retreat is a great way for us to come together and build the best team we can each year for our membership and our club.

Creeper Jeepers Gang Spring Into Safety

On March 26th, we held our annual Spring Into Safety event after taking off a year due to Covid. The day started with a caravan of mostly Jeeps from Durango to Farmington, New Mexico (12 total). We met other members at a park in Farmington, bringing the total to 21 vehicles.

We held demonstrations on tire repair in the field, displayed the equipment we carry in our jeeps, performed radio checks, fire extinguisher checks, battery checks, and held a raffle. We talked about the GMRS radios that we encourage people to get as a safety option for clearer and longer-distance communication.

After lunch, we gathered up all the participants and caravanned across Farmington to Choke Cherry Canyon (an off road recreation area). There, we did winch and jack demonstrations. The afternoon turned out to be a beautiful day --76 degrees perfect weather! After the demonstrations we all ran some trails and played on the rocks.

Creeper Jeepers Gang Spring Into Safety

In mid-April, a bunch of us are going to Moab for Jeep Safari. In May, we have put a trip together to do the Hole in the Rock trail (HITR). And for June, we're planning the "summer Jeep games" again.

In addition to our scheduled trips and events, we'll also be doing a lot of our regular summer trail maintenance and trail runs. We have to do some heavy maintenance on our Adopt A Trail, Elwood Pass, which will also be a camping trip.

Creeper Jeepers Gang is looking forward to lots of opportunities to get out and do things this year.

2022 Association Stickers

We've produced a new 2022 sticker with @stuckstickerco (instagram) and QCBE Printing (a small local business in Colorado Springs).

Like 2021, stickers are free to the clubs within the Association, and will be distributed to clubs starting mid-April. We'll send one per member, plus a small quantity more in case members want to buy additional stickers (we suggest \$3, to be kept by the club treasury).

Stickers are 3 ½ inch round and printed on UV resistant vinyl. We hope you like them and will proudly display them on your rig!
